

# The 2010 INTERNATIONAL SYMPOSIUM ON ACCOUNTING INFORMATION SYSTEMS (ISAIS)

May 13-15, 2010 • University of Central Florida • Orlando, Florida

UCF Dixon School of Accounting is pleased to announce they will be hosting the **2010 International Symposium on Accounting Information Systems (ISAIS)**. **ISAIS** is a unification of the *AIS* Research Symposium (AISRS), the European Conference on *AIS*, the Asia-Pacific Research Symposium on *AIS*, and the International Research Symposium on Accounting Information Systems. This symposium will be rotated annually between the University of Central Florida, University of Amsterdam (Netherlands) and University of Melbourne (Australia). UCF is honored to be hosting the first joint program.

## CALL FOR PAPERS

This is a call for papers for the **2010 ISAIS** to be held **May 13-15, 2010** at the University of Central Florida in sunny Orlando, Florida. The objective is to bring together researchers from all disciplines related to *Accounting Information Systems (AIS)*. Topics of interest include, but are not limited to: *AIS* development, business patterns, internal control developments, strategic information systems, cultural influences on *AIS*, performance evaluation, decision aids, business process reengineering, business process modeling, audit and assurance regarding *AIS*, continuous auditing and reporting, enterprise resource planning, knowledge management, and XBRL.

The **2010 ISAIS** program will tentatively consist of a keynote speech, 6-10 journal quality paper presentations, and a panel. The emphasis is on a high level of interaction, discussion and debate in a friendly, supportive and relaxed atmosphere. At the same time, the intent of **ISAIS** is to provide a global forum for bringing the leading *AIS* researchers and developing scholars together to discuss and critique leading edge research in the field.

## PAPER SUBMISSION

Only completed research papers should be submitted. Accepted papers will receive a conditional acceptance for publication in the International Journal of Accounting Information Systems. Papers are not required to be dually considered for the journal and authors should advise in their cover letter whether they wish to have their paper considered for IJAIS. The program chair will serve as the IJAIS editor on these papers in close collaboration with the incoming IJAIS editor, Andreas Nicolaou. We encourage doctoral students and junior researchers to submit their research. The deadline to submit papers is **February 15, 2010**.

To submit an original research paper, e-mail your complete manuscript to both:
